Subject: Update from yesterday's call

Good Afternoon!

You have seen the message about the revised itinerary. I wanted to let you know that EPA will not be meeting with Pebble in Dillingham. EPA will hold this meeting in Anchorage. Thank you for your suggestions yesterday.

If you want to have another planning call, we could talk on Wednesday at 130PM, code #. That will allow us to go over any last minute details.

I will have another call with the tribal governments who decide to travel into Anchorage so that we can discuss the tribal leaders meeting.

The last hour of the meeting is a focused meeting where Nunamta, the Lake & Peninsula Borough, Bristol Bay Borough, BBNC, and the City of Dillingham would be able to share their perspectives on the proposed Pebble project. I will be sending the invitations on Monday.

Thank you for your assistance in planning the day in Dillingham.

Have a great weekend.

Sincerely,
Tami
